**STAFF'S MOTION TO EXTEND TIME
TO FILE TESTIMONY**

On September 30, 2011, Truxton Canyon Water Company, Inc. ("Truxton" or "Company") filed with the Arizona Corporation Commission ("Commission") an application for an increase in its water rates and charges (Docket No. W-02168A-11-0363). On September 11, 2013, the Company filed with the Commission an application for approval of a revision of the Company's existing terms and conditions of water service (W-02168A-13-0309). On September 30, 2013, the Company filed with the Commission an application for authority to incur long-term debt (Docket No. W-02168A-13-0332). On October 10, 2013, Staff requested consolidation of these matters and indicated that the procedural schedule set forth in the Procedural Order of October 2, 2013, could still be met.

Staff is now requesting a brief extension of time to file its direct testimony to enable Staff to revise previously drafted testimony to also address the issues in the Financing Application. Rather than utilize a new witness to testify to those issues, which is likely to expand the hearing time and reduce efficiency, Staff deems it more appropriate to utilize a single witness. Staff has discussed this matter with counsel for the Company and counsel for Valle Vista Property Owners Association, Inc., both of whom have agreed to extend the time for filing Direct Testimony for one week, to November

1 8, 2013. Staff has further agreed that each of the dates set for filing future testimony may also be
2 extended one week with no need to reset the procedural conference or hearing dates herein.

3 RESPECTFULLY SUBMITTED this 1st day of November, 2013.
